Welcome to the 2022 school year! I would like to thank parents, students and the school community for their flexibility and adaptability during the unusual first 2 weeks of school. It was wonderful to welcome back all year levels this week. We are still operating under some COVID restrictions, but learning is certainly in full swing. If you have any concerns about COVID restrictions, close contacts/classroom contacts, or simply have some questions, please do not hesitate to contact the school.

Welcome to Ashleigh Schrader, 2022 Wellbeing Leader. In addition to her wellbeing role, Ashleigh is teaching in the R-3, 7/8 and 9/10 classes. I'm sure the school community will make Ashleigh feel welcome and if you have any concerns regarding your child's wellbeing at school, please don't hesitate to contact her.

A special welcome to the new students and their families. We hope you have settled in and look forward to getting to know you better.

Our first big event this term is our annual sports day, scheduled for Friday 18th March. We are planning for this to go ahead as it has in the past, but we will keep you informed of any COVID related changes if required.

The Governing Council AGM will be held on Wednesday 23rd March, 7pm in the Community Library. All families are invited to attend.

We visited the school garden to see how fruit and vegetables are grown.

Mia, "My squash is big."

Kylah, "We can eat the seeds from the sunflowers."

Ollie, "Lots of vegetables are grown in the ground"
