

Reconciliation Week

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the Traditional
Custodians of country throughout
Australia and their connections
to land, sea and community.

We pay our respect to their Elders
past and present and extend that
respect to all Aboriginal and Torres
Strait Islander peoples today.

Students have been taking part in activities for Reconciliation Week.

All classes decorated their own letter for our display in the front office (see above) and on Thursday lunch the year 9/10 class led the school in Aboriginal games.

Some year 7/8 students are developing their own Aboriginal designs for a school reconciliation t-shirt. Watch this space to see the completed article of clothing.

Thursday 30 June (Note change of date)
School Photos
Monday 4 to Wednesday 6 July
Year 10 Careers Trip to Adelaide
Friday 8 July
Last day of Term 2 and Semester 1
Monday 25 July
First day of Term 3 and Semester 2

Australia celebrates National Reconciliation Week, between 27 May and 3 June every year. The week marks two significant milestones:

- 27 May - The anniversary of the 1967 referendum. This gave the Commonwealth the power to make laws for Aboriginal people and for Aboriginal people to be recognised in the national census.
- 3 June – Mabo decision. The High Court of Australia decided that terra nullius should not have been applied to Australia. The decision recognised that Aboriginal and Torres Strait Islander peoples have rights to the land. The case was led by Torres Strait Islander man, the late Eddie (Koiki) Mabo.

National Reconciliation Week is an opportunity to celebrate the unique culture and history of Aboriginal people. Reconciliation Australia's theme for 2022, *Be Brave. Make Change*, urges the reconciliation movement towards braver and more impactful action.

Tuesday week 7 (June 14) is a student free day where staff will participate in professional learning focussed on our site improvement plan

As the weather turns colder, please remember that black pants and BMFC jumpers are not part of our uniform. Pants or shorts should be navy in colour and not have large logos or writing. If you have any questions about uniform requirements, please contact the school.

STUDENT TEACHER AT PBAS

Hello, my name is Chloe Paddick, I am a 3rd year Primary Education student, who is specialising in the German language. I grew up on a farm near Wallaroo, on Northern Yorke Peninsula. I will be a familiar face around the school for the remainder of term 2, assisting Ms McLoughlin in the classroom, observing her and the students, and eventually taking over some teaching aspects and by the end of my placement doing full teaching days.

I am a very enthusiastic person, who enjoys playing sport and giving anything a go. I currently play hockey in winter and basketball in summer and I also enjoyed athletics.

When I was at school my favourite subjects were P.E, English, Geography, Tech and I especially love German, as I was learning a new language.

I am looking forward to meeting you and seeing you around the school.

Year 9 and 10 Mosaic Serving Boards

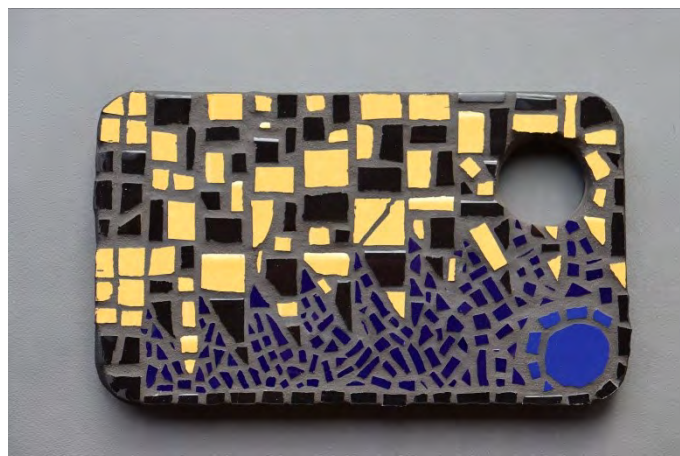

Dannii Newton Yr 10

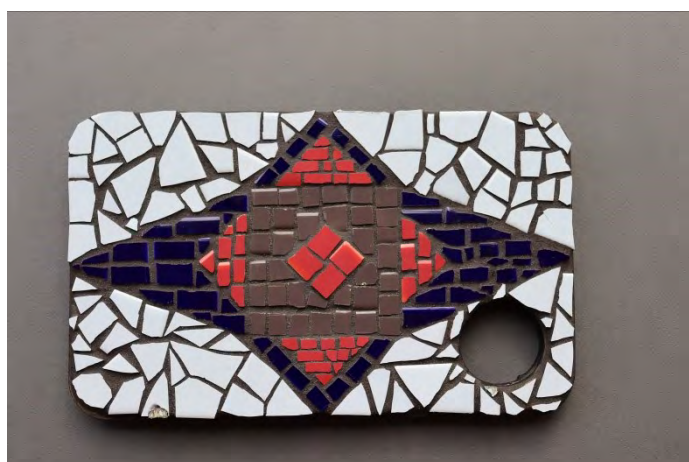

Brooke Jamieson Yr 9

Joshua Ramsay Yr 9

Heath Weymouth Yr 9

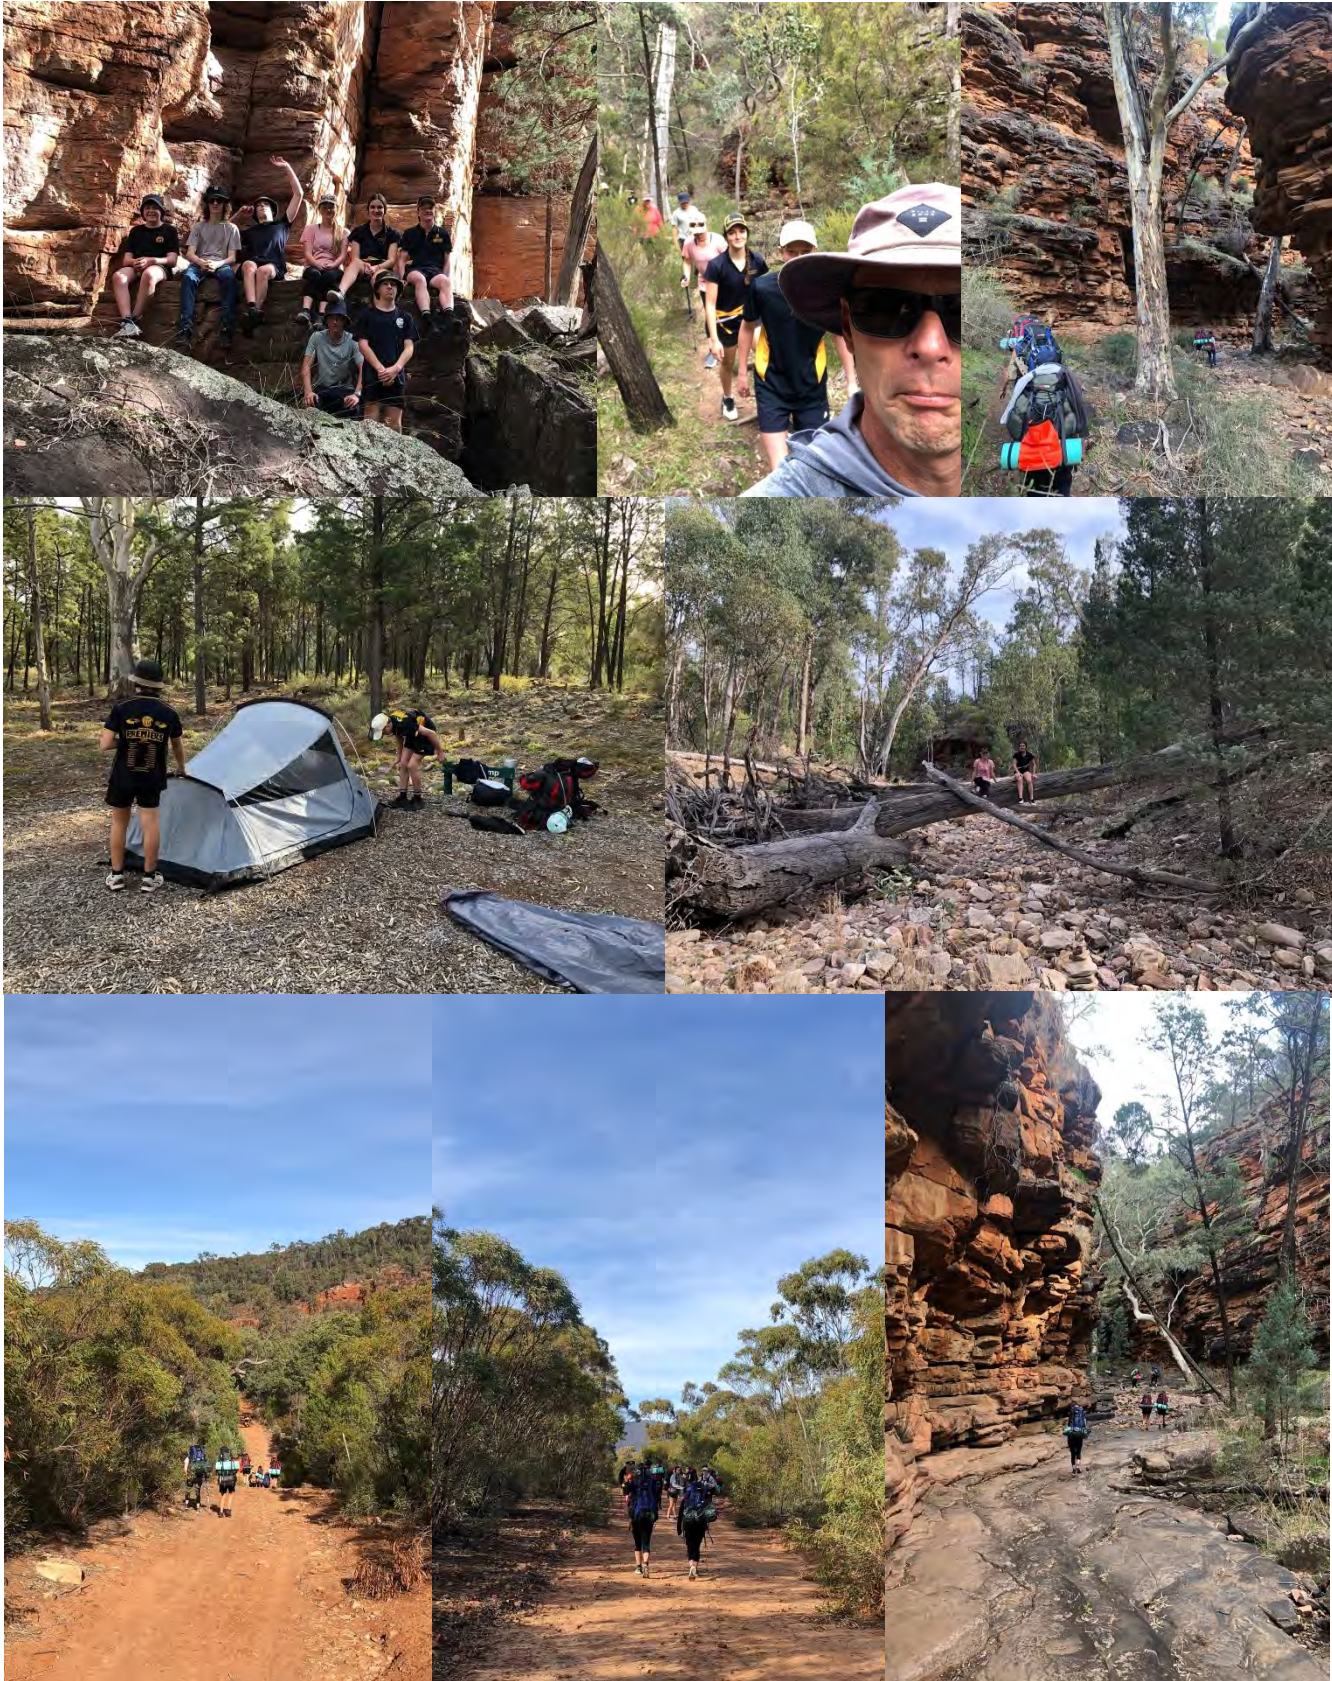

Jason Skinn Yr 9

Merredy Bawden Yr 10

Resilience ~ Success ~ Respect

Year 9/10 Outdoor Education Bushwalk

Year 4 Spelling and Vocabulary

computerphobe meaning: A person who experiences anxiety about computers, especially about their use.

In a sentence:

People who are considered computerphobes dislike using computers.

Kyrofelonoshophobia

meaning: A strong fear or dislike of cartoon characters.

In a sentence: Lyla asked, "what is the fear of cartoon characters called?" and we googled it and the answer was Kyrofelonoshophobia.

This year the year 4 class has used a different approach to spelling. Becoming familiar with morphology and etymology of words has a number of useful applications to both reading and writing.

Knowing the etymology of words helps to figure out their most effective use. Understanding the original meaning of a word as well as how it's been used in both the past and present can increase your comprehension of its nuances and connotation. This knowledge will help you differentiate between words that have similar uses or are closely related to each other and allow you to choose the best one for each situation, leading to more masterful use of those words within your writing.

Each week, the year 4 class have worked with words with either the same prefixes and suffixes. We use the iPads to find the meaning and then make our own sentences to demonstrate our understanding. This is an example of some of learning when were learning about words with the suffix 'phobia.'

ophidiophobia meaning: Is an extreme overwhelming fear of snakes.

In a sentence:

Ophidiophobia is one of the most common and intense phobias among humans, about two-thirds of adults are scared of snakes.

We want your input!

SURVEY : Childcare Centre in Port Broughton

Regional Development Australia Yorke and Mid North and Barunga West Council are supporting a working party looking into options to establish a childcare centre in Port Broughton.

Options will be developed to secure a service sustainable over the long-term, while meeting the needs of local families, residents and workers.

To build upon the business case for this project, we are seeking detailed information from families in our area who are in need of childcare now and in the future.

This survey seeks input from families living and working in the Barunga West Council local government area, as well as those who may contemplate doing so in the near future. We encourage anyone in our neighbouring areas who may benefit from childcare services established in Port Broughton to also provide their information.

The details you provide whilst answering this survey will only be used for this purpose and no participant's information will be made publicly available.

This survey will be used in addition to the results from the initial survey undertaken in 2020. This survey is specifically seeking detailed information on your intended usage of childcare services and how you are currently managing your family's needs in regard to care.

Any questions regarding the survey can be directed to Daniel Willson, Regional Development Australia Yorke and Mid North, on 0488 557 656.

PLEASE USE THE QR CODE TO ACCESS THE SURVEY

Thank you.
