

# Year 9 and 10 Metal Technology - Sack Trucks

The year 9/10 Metal tech students have spent the term constructing a sack truck, applying many metal fabrication skills such as welding, pipe bending, lathe turning, oxy-acetylene and CAD design just to name a few.

A BIG THANK YOU to Brian Brook for spray painting all of them for the students.

What a busy time term2 was!

Reports will be coming home on Friday. Take this opportunity to celebrate your child's success and help them set goals for the rest of the year.

Ms Julie Norman is finishing her contract with us. Thank you Julie for all your hard work and your enthusiasm in performing arts, she will still be a regular face at PBAS as a relief teacher. Mr Michael Cook will be teaching music and photography for the remainder of the year. Ms Jackie McLoughlin is taking long service leave in term 3; she will be replaced by Mr Corey White.

Unfortunately, the number of COVID cases at the school has increased in the past few weeks. Moving into term 3, please continue to keep your child home if they are unwell and notify the school. We have to report COVID cases to the department so it is important that we are aware of them.

Don't forget, this Friday is early dismissal, with school finishing at 2:10pm. I hope you have a safe and enjoyable break and I look forward to seeing you next term.

Joelene Anderson  
Principal

## Meet our new ACEO

Bianca Newchurch will be commencing in the position of Aboriginal Community Education Officer (ACEO) and visiting Port Broughton fortnightly. Bianca has been working at Wallaroo Primary School and has been there as the ACEO for several years. We welcome Bianca to our site and look forward to her working with our school community.

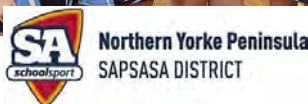

## SAPSASA Netball

Jazz and Jaida played in Division 1 and won 3 games, finishing in 7th place.

Ruby and Emma played in Division 3 and finished in 9th place.

All girls had a great 3 days improving their netball skills and making new friends.

# Year 2/3 Goat Club

This term we have had goat club with Mr Smith. While one group has worked with the goats the rest of the class has designed and made goat playgrounds and toys.

# Stage 1 Food and Hospitality Luncheon

As part of the stage 1 course, students were required to work collaboratively to prepare a meal for a group of people. It was decided to prepare a casual lunch. A small group of staff and students were invited to attend the lunch in the library meeting room. George, Mikayla, Skye and Hannah cooked and served spring rolls with several dipping sauces, gluten free pizzas (vegan and meat) and Caesar chicken wraps. Individual chocolate mousse cups and mini pavlovas provided a sweet finish to lunch

# Year 1 and 2 Design and Technology

During the Year 1/2 Design and Technologies lessons, they had to design a game that included a challenge.

First, they drew their design and labelled the materials they would need. Then they began building the game and trialing if it worked. Lots of changes were made when they found errors. Finally, they enjoyed playing their games with their buddies from the Year 9/10 class.

Denise – It was challenging to build.  
Tahlia – I had fun making it.

Levi – It was challenging to make.  
George – I liked the challenge my game had.

Zara – Gluing the pieces together was challenging.  
Charlotte L – It was challenging to fix the problems.

Ruby – It was challenging to play my game.  
Charlotte R – My track was challenging to follow.

Dax – It was fun to play because it worked.  
Rahni – I enjoyed painting my game.

Eli – I enjoyed playing my game with my buddy.  
Evie – It was challenging to play my game.

Max – I enjoyed how my marble rolled fast.  
Cooper – I enjoyed making it.

Austin – It was challenging to play my game.  
Lewis – I enjoyed trialing the game.

Mahli – I loved when my buddy helped me fix my game.  
Mylee – My game is challenging to play.

**THE LAKE OF SCARS**  
Fri 8 Jul at 7pm

In a corner of Victoria exists a link to an  
ancient culture. A place of astounding  
beauty and rare archaeological and  
environmental significance. It is being  
degraded on an annual basis. As the clock  
ticks, an unlikely partnership could see it  
saved for future generations. The Lake of  
Scars is as much a portrait of a hidden facet  
of history and environment as it is a musing  
on what reconciliation can look  
like in Australia.

of supervillains called the Vicious 6 after  
they oust their leader -- the legendary fighter  
Wild Krush. When the interview turns  
disastrous, Gru and his Minions go on the  
run with the Vicious 6 hot on their tails.
