School Closure Day

Welcome to term 3, I hope you had an enjoyable break. Recently COVID cases at the school have increased. Please continue to monitor your child for any symptoms, including a fever, cough, sore throat, shortness of breath, runny nose, loss of smell/taste, muscle/joint pains, diarrhoea, nausea/vomiting, headaches or extreme tiredness. If your child tests positive, you must inform the school immediately.

Positive COVID-19 cases must remain isolated for 7 days and must follow SA Health instructions. Siblings of confirmed positive cases are considered a close contact and should follow the advice from SA Health.

This includes:

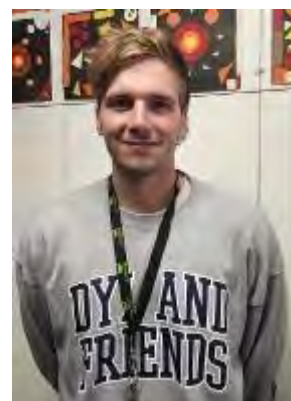

- **wearing a mask when you leave the house for 7 days after your exposure date (12 years and older)**
- **undertake 5 rapid antigen tests over the 7 days after your exposure date (with at least 24 hours between tests and one test on day 7)**
- report your rapid antigen test results if you test positive
- not attend Tier 1 sensitive settings for 14 days after your exposure date, except for the purposes of obtaining medical care or medical supplies, or except if you are an emergency services worker attending to respond to an emergency
- not attend Tier 2 sensitive settings for 7 days after exposure date, except for the purposes of obtaining medical care or medical supplies, or except if you are an emergency services worker attending to respond to an emergency
- **notify your employer or school or early childcare settings that you are a close contact**

We appreciate everyone's support to ensure that all necessary health advice is closely followed, and all necessary precautions are taken to minimise the risk of further transmission within our community.

Year 5/6 Basketball Competition

On Friday 5th August, our year 5/6 basketball team competed at the Northern Yoke Peninsula carnival. The boys had an outstanding day and have progressed to the regional finals on Friday 26th August. Highlights for the day:

- all students managed to score a goal
- the positive attitude, behaviour and teamwork displayed
- the fantastic all court defensive effort in the grand final that saw us only go down by 2 points (earlier in the day we played the same Kadina team and lost by 20 points). Amazing effort from all the boys!

Thanks to Benita Palmer who scored all our games and Carly Barnes for helping out with the team.

Game 1 – PBAS defeated Harvest Christian College 28-8

Game 2 – PBAS lost to Kadina Memorial School (1) 12-32

Game 3 – PBAS defeated Moonta Area School (2) 28-2

Semi Final – PBAS defeated Moonta Area School (1) 19-8

Grand Final – PBAS lost to Kadina Memorial School (1) 15-17

Reception and Year 1 Learning

Wombat Devine

After reading "Wombat Devine" by Mem Fox the students researched wombats and found out that a wombat habitat is called a burrow. The students then designed and built their own burrows. The students then made their own wombat out of clay.

Reception and Year 1 Learning

Measuring

To compare longer and shorter. The students made their own snakes and then compared who had the longest and shortest snake.

Magic Hat

The students listened to the story "The Magic Hat" by Mem Fox. They then researched hats from around the world and then designed and made their own hats!

A poster for preschool enrolment. It features a smiling child wearing a blue cap and a blue shirt with a unicorn design. The text 'ENROL NOW IN PRESCHOOL' is in large, bold letters. A purple circle says 'MID-YEAR INTAKE NOW OPEN'. A pink circle says 'For a great start in life, enrol your child in one of SA's nation-leading public preschools and kindergartens'. An orange circle says 'ENROL BY 30 SEPTEMBER Register your interest'. A QR code is labeled 'Learn more'. A white box at the bottom says 'If your child turns 4 between the 1st May 2023 and the 31st October 2023, they are eligible to begin in the mid year intake.' The footer says 'For more information visit www.education.sa.gov.au/preschool-enrolment' and 'Government of South Australia Department for Education'.

MUSIC LESSONS AT LUNCH TIME

Hi, my name is Michael Cook and I'm currently teaching music to all primary classes at Port Broughton.

Many students have shown an interest in improving their piano/keyboard and/or guitar skills. So, I've decided to teach beginner group lessons for keyboard during lunch on Tuesdays, and beginner guitar/ukulele during lunch on

Wednesdays. These classes are open for all ages and will primarily be for

beginners. However, I will do my best to accommodate intermediate and advanced players if needed. We also have the music room open for secondary students on Thursdays for self directed music learning. I will be present in the room to supervise and help as required.

These lessons will undoubtedly increase the quality of our ensemble work in class, so I'm looking forward to seeing how we progress this term.
