

Congratulations Ag Students

Congratulations to our very successful agriculture students on their achievements at the Copper Coast Show held on Friday the 19th of August. Many students won their heats and we had excellent representation in the finals of all three competitions.

Results:

1st - most professional team (sheep).

1st - best handler (goats) - Brooke

1st - best presented goat - Snowflake with Max as the handler.

Thank you to Mr Smith for supplying the goats and coaching the students. Thanks Mrs Perry for your help and Jodie and Ash for transporting the stock.

What a great achievement!

Student Free Day

Our Agriculture students had a very successful outing at the Copper Coast Show. Congratulations to the students and thank you to Mr Smith and Mrs Perry. Next week they are attending the Royal Adelaide Show and I wish them all the very best.

As we move into the warmer spring weather, the UV index increases and it is important that students wear hats during break times. All students will be required to wear a hat from week 8 (Monday 12 September). Hats are available for purchase at the front office.

We are well into planning for 2023. The current year 10/11 students are involved in subject counselling to select their study options for next year. It is essential for the planning and budgeting processed that we know student numbers. Please let us know if you are aware of any other families looking to enrol in 2023.

Good luck to all the Broughton-Mundoora netball and football teams in the finals.

Year 5/6 Basketball Competition

On Friday 26th August, our year 5/6 basketball team competed at the regional basketball finals in Kadina. The competition comprised of the top 2 schools from the Mid North, North Eastern, Northern Yorke Peninsula and Southern Yorke Peninsula.

Our boys tried hard, worked well as a team and were successful in progressing to the State Country Basketball Championships next term. A fantastic achievement for all involved!

Thanks to Benita Palmer, Carly Barnes and Priscilla Mildren for scoring.

A very special thank you to past student Zac Noble for umpiring. It was great to have Zac return, he did an excellent job umpiring and we greatly appreciate him giving up his time.

Nharrangga Language

Bianca Newchurch our ACEO (Aboriginal Community Education Officer) visited some of our primary classes last week sharing a range of activities using the Nharrangga language.

Students learnt how to play 'Gagga wiri madda dhidna madda dhidna' (head shoulders knees and toe, knees & toes) using the Nharrangga language which students picked up really quickly.

Bianca visits our site fortnightly and we look forward to learning some more Nharrangga words on her next visit.
