1.30pm General Math Exam
Thursday 10 November
9am Physics Exam
Year 8 Immunisations 12pm

What a busy and productive term we have had.

Congratulations to our Ag students on their success at the Royal Adelaide Show. These are fantastic achievements against schools from all over South Australia.

The end of term assembly (Thursday 29 September, 10am) is a chance to recognise the many extra-curricular activities and view some examples of student learning. Our year 12 students are nearing the end of their formal schooling and I wish them all the best in these last few weeks.

As we finalise our planning and budgeting for 2023, it is essential we accurately know student numbers. Please let us know as soon as possible, if your child will not be attending PBAS, or if you are aware of any other families looking to enrol in 2023.

I hope you have a safe and enjoyable break.

Joelene Anderson
Principal

BUY FROM THE WET AREA
DURING THE MOVIE!!**

Resilience ~ Success ~ Respect

Year 7/8 Food Technology

This term the year 7 and 8 class have been gaining new cooking skills and trying different recipes. The mini pizzas and bread cup quiches were definite successes with most of the class saying they would cook these recipes at home. For those with a sweet tooth, the apple and cinnamon fritters, double choc-chip cookies and chocolate caramel slice were popular.

Students have learnt to use an egg whisk, melt chocolate in a bowl over simmering water, knead pizza dough and grate cheese without losing any skin from their knuckles.

Resilience ~ Success ~ Respect

PBAS at the Royal Adelaide Show

RESULTS

School merino wether competition

3rd - Highest Weigh Gain By a Group - School Wether Competition.

School led wether goat competition.

1st - 55-59.5 kg - Snowflake led by Max Turra
5th - 60-66kg - Motley Crue led by Kai Philips

And just out of the ribbons

7th - 60-66kg - Chicago White Sox led by Thomas Davey

1st - Most Professional School Show Team

Two secret judges observed student over the whole event, giving points for animal welfare, goat and student presentation and grooming, knowledge of their goats and the goat industry. Against over 30 schools this is a huge achievement and we have now won this back to back.

Lawn Bowling with the 9/10 HPE class

9/10 HPE students are engaging with the local lawn bowls club to learn the tricks of the trade. Students are highly enjoying this new experience and it is even sparking an interest in some students to join the club and participate outside of school.

Buddy Classes

During the year we have joined the Year 1/2 and Year 9/10 classes together to form a buddy class, this helps develop a greater sense of community. As a part of this community we have been rejuvenating the school's community garden. Avan Ireland kindly cut and donated multiple tractor tyres to create new garden beds. The buddy class spent an afternoon painting and decorating the tyres ready for new fruit and veggies to be planted.
