Congratulations to the worthy award winners at yesterday's assembly. Thank you to all the staff and students involved in making the awards assembly a success.

Last week we farewelled our graduating year 12 class. I wish them all the very best as they enter this new chapter of their lives.

This year we are saying goodbye to several staff members. Alex Kirkham has won a position elsewhere, Andrew Smith is going home to run the family farm and Tracy Ireland has elected to not continue in the Pastoral Care Worker position. I wish them all the very best as they embark on these new adventures. Tyler Norton will be joining our staff and teaching secondary maths and science in 2023.

Thank you to the entire school community for your support this year. I wish you all a very merry Christmas. Have a safe and enjoyable break and I look forward to seeing you in 2023.

We would love you to put your thinking caps on to help us achieve this ~ any donations large or small would be greatly appreciated.

Anyone with goods, services, etc that they could donate and what they think are worth something to someone, we would love to hear from you.

Home-made meals, baked goods, wine, life experiences, holiday houses, plants, kids toys, vouchers, fresh produce, services, baby sitting, lawn mowing, it's endless.

Get together with friends to contribute something to donate what you think people will be interested in bidding on. You may be surprised what people will bid on to support our local hospital.

We would love to hear from you.
