

Primary Students Perform at Barunga Village

Yesterday, Ms Ingram's 2/3 class, and Ms McLoughlin's Year 4 class, went to the Port Broughton Bowls Club to give a live performance to some residents of Barunga Village.

After an Acknowledgment of Country by Harley Palmer, the students entertained house members with a sing-a-long, a puppet show, a sea shanty and then Barunga Village Choir performed some of their favourite songs and were thrilled when the students joined in. A BBQ lunch was then shared and enjoyed by everyone.

It was a great experience for everyone involved, a big thank you to Barunga Village especially Stacey Meschede and also Julie Norman and Michael Cook.

REMINDER

The carpark area between the kindy and green shed is for dropping off students only.

Please do not park in this area.

Welcome to term 4, I hope you had an enjoyable break.

Thank you to Michael Cook and Julie Norman for organising the year 2/3 and year 4 performances at Barunga Village. The students were excited to share their puppet play and songs with the residents. A wonderful experience for all involved.

As we finalise our planning and budgeting for 2023, it is essential we accurately know student numbers. Please let us know as soon as possible, if your child will not be attending PBAS, or if you are aware of any other families looking to enrol in 2023.

Term 4 sees the culmination of secondary schooling for most of our year 12 students. Many are well into exam preparation. On behalf of the staff, I wish all the year 12 students the very best as they leave school and begin the next chapter in their lives.

Don't forget Friday 11th November is a student free day.

Principal

Work Placements

Students in years 10, 11, and 12 have the opportunity to complete a work placement if it links closely to a chosen career pathway. The school works with the student, parents, and employer to organise a suitable time when the work placement can occur. Currently, Cohen and Tyson are at Cheesman's in Port Pirie. We want to thank Cheesman's for providing these boys with the opportunity to pursue their interest in metal fabrication.

AR and VR in the Classroom

Earlier this year, the school purchased a set of virtual reality headsets. Powered by handheld smart devices, the kit can be used to provide both virtual reality (VR) and augmented reality (AR) experiences for our students. The year 5/6 and 7/8 classes have recently used the headsets to explore foreign places, including unique landforms and landscapes, as part of their studies in Geography (HASS) with Mrs Cowan.

Staff have recently been involved in professional development to increase our use of AR/VR technologies in our classrooms and create new and unique experiences for our students.

Dinosaurs and Fossils in the R/1 Class

This term the reception/year 1 class are learning about dinosaurs. They have made their own fossils from plaster and when they are complete they will role play as palaeontologists and go and dig for them in the sand pit.

Year 5/6 Boys in Basketball State Finals

On Friday 21st October, our year 5/6 basketball team competed at the state basketball finals at St Clair's Recreation Centre, Woodville. The competition comprised of the top 16 teams from all over the state. The competition was very tough, with many of the schools having much more experience than us.

The boys maintained a positive approach all day, tried their best, and came away with one win. This is a great effort considering the size of our school and our inexperience at this level of competition.

Game 1: PBAS (14) v Port Augusta West (39)

Game 2: PBAS (13) v Tanunda (30)

Game 3: PBAS (12) v Bordertown (25)

Game 4: PBAS (22) v Owen (13)

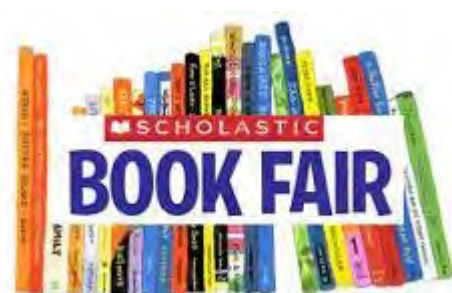

Game 5: PBAS (20) v Kadina (28)

Thanks to Benita Palmer, Cilla Mildren and Carly Barnes for scoring.

Book Fair in the Library

The library would like to thank all parents and students that participated in the Scholastic Book Fair held from October 17 -21. **The school raised \$1811, which was \$300 over our goal.** The Book Fair helps raise funds for credits against Scholastic Book Club purchases, so all money gets put directly back into purchasing new titles for our primary collection.
