This term has been a particularly busy one for all of us. We have seen a range of exciting events and activities taking place, including sporting and academic. In addition to our recent sports activities, I am pleased to report that we have also seen excellent learning taking place in the classroom. Our students have been working hard and achieving great results in their studies. I would like to take this opportunity to commend all of our students for their dedication and hard work, as well as our teachers for their tireless efforts in supporting and encouraging our students.

We still have one vacant position on Governing Council. If you would like to join, please see myself or another member.

Ms Ashleigh Schrader has won a position as a behaviour coach in the Port Pirie district office for the remainder of this year. Whilst we are very sad to see her go, we wish Ms S all the very best in this role. Ms Tanya Hackett will also be taking some leave from week 2 next term. Both these positions are currently advertised and we hope to have them filled ready for the start of term 2.

Thank you to all of our students, teachers, staff, and parents for your ongoing support and dedication to our school community. Have a safe and enjoyable break and I look forward to seeing you next term.

Year 11 and 12 Food Tech

Students undertaking stage one and two Food and Hospitality are required to work collaboratively to plan and prepare food for a group of people. The students chose to assemble a grazing box for staff from PBAS and Ardrossan who had joined together for training and development activities on Tuesday 14th March.

Prior to the day students selected and trialed a variety of recipes including pizza scrolls, dips, vegetarian slice, quiche, caramel slice, brownies and muffins. After tasting all these foods, they then selected the most appealing recipes. Some adaption was needed to cater for different dietary requirements. Most of the recipes were able to be made several weeks earlier and frozen.

Students volunteered to attend school on the Tuesday so that they could reheat some items and pack them into the individual boxes. Each grazing box contained several savoury items and sweet treats, plus fresh strawberries, and grapes. To complete the lunch there was camembert and cheddar cheese with water wafers. Feedback from staff was very positive.

Anzac Day with the Year 3 and 4 Class

Anzac Day is a day of remembrance for those people who died in the war. Some people celebrate Anzac Day by reflecting and standing in silence. Also some people make Anzac Day biscuits and lay rosemary and poppies and wreaths. And we should care and respect the Army. Indi

Sometimes we go down to the foreshore. We have a minute of silence. We lay wreaths with rosemary and poppies to pray for the people who fought. When it was COVID many people sat at their driveways and had a minute of silence at 6 am. Some people make Anzac biscuits. They march across the street to remember people who fought in the war. Sophie

Anzac Day means people celebrate the people who fought in the wars. In COVID some people stood at the end of their driveways and had a minute of silence. Other people make Anzac decorations on cookies. I go to watch the ceremony. Payton

Some people like to make Anzac biscuits. Some people go down to the Dawn Service. I sometimes go to the big statues. Some people have a minute of silence to remember those people who fought in the war. Willa

I make Anzac biscuits and eat them and while I eat them, I think about the people who fought in the War. Some people go to the Anzac Statue to thank the people who sacrificed themselves. Some people march across the beach and lay wreaths with rosemary in it. When I think about poppies, red as blood poppies for all the people who got hurt so we could be here. We all should pay our respects to the people who fought for us. Stephanie

Great grandchildren of Anzac soldiers go to march with them. The children wear medals or something belonging to their ancestors. This is a celebration that includes the raising of flags. Rhylee

Sometimes our family makes Anzac biscuits. Some people go to the Dawn Service. Some people wake up on Anzac Day at 6 o'clock to do a minute silence. Willow
