

Author of ‘Deadly Unna’, Phillip Gwynne Visits the Library

Port Broughton Area School

On Wednesday, Week 2, Port Broughton Community Library had a visit from author and screenwriter Phillip Gwynne. Known for his young adult novel *Deadly Unna*, Gwynne has also written some 40-odd children’s and young adult novels. He spoke to students from Port Broughton and Bute primary schools about growing up on the Yorke Peninsula, playing football and finding his passion in writing. The students asked excellent questions about writing, editing and publishing. Many thanks to Julie McDonald for helping secure Phillip as a visitor and to the Bute students and staff for travelling to visit us.

A special mention must go to Brett Ireland and Paul Townsend for entertaining the audience with spectacular renditions of *10 Green Geckos*, sung in melodious baritone and performed with Shakespearean gravitas.

HELP NEEDED

We have a selection of bikes that all of our students have access to, but at the moment a lot of them are unusable.

Are you a whiz a fixing things, do you have a bit of spare time to help us out? Please contact the front office on 86352105 if you are able to help.

Parliament of SA's YP - Year 5 - 8

Welcome to term 2! I hope you had an enjoyable break. We've had a very busy start to the term with students participating in several sports, listening to author talks and meaningful learning occurring in classes.

We welcome Mrs Kristy Patterson as the Student Wellbeing Leader for the remainder of the year. Kristy brings a wealth of experience from her various leadership roles over the years. I'm sure the school community will make Kristy feel welcome.

Unfortunately, like many schools across the state, we still haven't been able to fill a teaching position. We are exploring many different avenues for this and will hopefully have something in place very soon. For the next 3 weeks, Ms Fiona Myers will be teaching 7/8 Maths, 9/10 HPE and R-4 HPE.

We still have one vacant position on Governing Council. If you would like to join, please see myself or another member.

Next Friday, 19 May, is National Walk Safely to School day. The buses will drop students at the skate park where we will walk to school. Students not on buses are very welcome to join us at the skate park from 8:30am.

SAPSASA and other Sports

Congratulations to the students representing the school at the NYP SAPSASA cross county district day. There was some great running and 9 of our students have progressed through to the state championships to be held in June.

A special congratulations to Max for breaking the under 11 boys record!

PBAS students at the SAPSASA state swimming championships today.

Special congratulations to: Alex - first in the under 10 girls 4x50m freestyle relay

Tarquin - second in the under 12 boys 50m backstroke and 50m breaststroke

Some year 7/8 boys joined a combined team to participate in the YP zone basketball carnival held at Minlaton

The boys did very well, finishing 2nd in pool B, they then played against the 2nd placed team from pool A in the finals. They had a very close game ending in a 2 point loss. Finishing 4th out of 13 teams overall was a solid effort

For Digital Technology the students experimented with Beebots to work out direction. Some of the vocabulary we used was left, right, forwards and backwards!

For Science the reception/year 1 students have learnt about the features of living things. Here they are observing and drawing birds in our school.

At the end of April football representatives brought all of the premierships cups from AFL, AFLW, SANFL AND SANFLW for the students (and teachers) to hold or have a photo with.

Partners in Parenting

MONASH University
DEAKIN University

Is your teenager struggling to attend school due to anxiety, depression or emotional distress?

Be among the first to trial a new online parenting program designed to support parents of teens struggling with school attendance.

Researchers from Monash University and Deakin University are offering parents a **FREE** online parenting program designed to support parents of teenagers who have difficulty attending school due to **anxiety, depression, or emotional distress** (sometimes called 'school refusal', 'school can't', or 'school phobia'). The program is being offered as part of a research trial.

What's included in the program?

- A parenting self-assessment tool with personalized feedback.
- Up to 13 online modules with practical strategies to support your teen's mental health and school attendance.
- Complete weekly modules and work towards goals.

Who can take part?

You may be eligible to participate if:

- you are the parent or guardian of a teenager aged 12-18
- live in Australia
- can read, write, and speak in English
- have regular access to the internet.

The program is not recommended as a sole source of support for young people experiencing school refusal. We recommend seeking professional support from a mental health or education professional alongside completing the program. Although all parents are able to take part, please also note that the program content is not tailored for parents of teenagers with Autism Spectrum Disorder or Intellectual Disability.

What else is involved?

To help us evaluate the program, we'll ask you to complete two online surveys about your parenting and your teen's mental health. We may also invite you to complete an interview about your experience with the program. You'll receive a \$20 gift voucher after completing the second survey, and an additional \$20 gift voucher if you complete an interview.
