

Congratulations to the 2023 Open Boys Winners - Port Broughton

Port Broughton Area School

Last Wednesday, the 31st of May, the school competed in the Yorke Peninsula Zone Open Boys Basketball Carnival at Minlaton Basketball Stadium. The team played 5 games in a round robin format. Supercoach Noah Pachur guided the team superbly and was calm under pressure in the close games. Thank you to Stacey Meschede for scoring. The boys had very low expectations going into the day but surprised themselves winning the carnival. They drew level on wins with Maitland Lutheran 1 but won overall because they defeated them in their head to head match up.

YOU ARE INVITED

To the end of Term 2 assembly, to be held on Wednesday the 5th of July, at 10am, in the school gymnasium.

Monday 21 to Friday 25 August
Bookweek
Wednesday 23 August
Bookweek Parade
Friday 25 August
Basketball Regional Finals

What a busy term we are having! There has been excellent learning occurring in the classroom and many extracurricular opportunities for students.

Tuesday 13 June, is a student free day. Staff will participate in training and development directly linked to our Site Improvement Plan. These days allow staff to delve deeper into evidence based practices that can be used in the classroom to benefit and enhance student learning outcomes.

Last week, we recognised National Reconciliation Week. It is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. The week marks two significant milestones:

27 May - The anniversary of the 1967 referendum. This gave the Commonwealth the power to make laws for Aboriginal people and for Aboriginal people to be recognised in the national census.

3 June – Mabo decision. The High Court of Australia decided that terra nullius should not have been applied to Australia. The decision recognised that Aboriginal and Torres Strait Islander peoples have rights to the land. The case was led by Torres Strait Islander man, the late Eddie (Koiki) Mabo.

This year's National Reconciliation Week theme, *Be a Voice for Generations*, urges all Australians to use their power, their words and their actions to create a better, more just Australia for all of us.

As the weather turns colder, please remember that black pants are not part of our uniform. Pants or shorts should be navy in colour and not have large logos or writing. If you have any questions about uniform requirements, please contact the school.

Joelene Anderson
Principal

Jump Rope for Heart

We are excited to announce that Port Broughton Area School is participating in Jump Rope for Heart this year – a fantastic fundraising and physical activity program by the Heart Foundation.

By participating in Jump Rope for Heart this term, we are expecting to get our students moving. We'll have ropes available on the school grounds and encourage everyone to help raise funds for lifesaving research and support programs.

Resilience ~ Success ~ Respect

Food and Hospitality Cake Decoration

CAKE, CAKE, CAKE, CAKE

The Year 12 Food and Hospitality students have researched, planned, created and evaluated 'Celebration Cakes', as part of their course work. Hannah, Mikayla and Skye excelled with their cake decoration skills to produce spectacular cakes, to a professional standard. They should be very proud of their achievements!

Japanese Trip Proposal - 2024

JAPAN TRIP PROPOSAL FOR 2024

Port Broughton and Moonta Area Schools, together with Kapunda High School are excited to propose a combined overseas travel and educational experience to Japan in the term 3 holidays of 2024!!

With Japanese studied by many of our students and our continued success and personal links within the homestay program, a trip to Japan is an excellent opportunity to experience a truly unique culture and place! As well as for our students to broaden their knowledge, understanding and experiences of the world!

We are hoping to book our trip through Saizen Tours, who specialise in school tours of this nature, and served MAS well in their highly successful trips in 2015, 2017 & 2019. The school group, with the teachers will travel and stay together, not as a homestay.

To be eligible, students must currently be in year 8 or above and attending PBAS, MAS or KHS. Interested parties are invited to attend one of our two **INFORMATION NIGHTS:**

- Option 1: **6pm, Wednesday 21st June (Wk8) ~ MAS Language Centre**
- Option 2: **6pm, Monday 26th June (Wk 9) ~ PBAS Library**

Here's a snapshot of what our R-6 students have been up to in Japanese with Mrs Swan on Mondays! So far this year our cultural studies have included festivals like New Years (it's the year of the Rabbit), Girl's Day, Cherry Blossom & Wisteria Viewing and Boys Day and we've covered a wide range of topics across the year levels.

Our new receptions have been discovering "What is Japanese?" – we've looked at greetings, numbers and how to introduce ourselves, as well as various children's songs. Year 1/2s have revised their greetings and learnt a variety of classroom related instruction phrases, and this term they're looking into storytelling and folk stories.

Year 2/3s and 3/4s had fun learning to read and write the 46 hiragana in T1 and are now exploring Eric Carle's "Mixed-up Chameleon" and our 5/6s had great fun exploring shopping in Japan in T1 and are now discovering prepositions!

Reconciliation Week Activities

National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

Over the last week students have worked with Bianca (AEW) to design Narungga signs for our school buildings. The prototypes will be on display in the library from week 8 onwards, and we encourage you to visit and vote for your favourite design. The winning signs will be created using mosaics, and our students will work together to construct the signage for our buildings.
