

## Jump Rope for Heart

Port Broughton Area School

This term our students and SRC have been actively involved in Jump Rope for Heart. We have raised \$2,373 for the Heart Foundation (so far). Students featured in the above photo, are our champion fundraisers who raised \$50 and over. The fundraising will stop at the end of this holidays and prizes will be given out next term.

On Wednesday morning our reception to year 6 students were involved in their 'Jump Off' demonstrating their skipping skills. It was great to see how their skipping skills have developed over the last 5 weeks at lunchtime, PE lessons and at home.

Parents can still register their child through the Jump Rope for Heart parent portal. Thank you to everyone who has supported our fundraising.

**Wishing everyone a fun  
and safe holiday.  
See you in 2 weeks**

Monday 21 to Friday 25 August  
Bookweek  
Wednesday 23 August  
Bookweek Parade  
Friday 25 August  
Basketball Regional Finals

It was great to see so many family members attend the year 2/3 student led conferences. The students have certainly been working hard this term and were able to articulate their learning and share this with others. Thanks to Ms Ingram and Miss Harris (preservice teacher) for arranging this opportunity.

Congratulations to the students who participated in Jump Rope for Heart. It was wonderful to see the students' skipping skills improve, whilst raising funds for a worthy cause. Thank you Ms Patterson, Miss Bowley and SRC for organising this.

Governing council have discussed and ratified the updated mobile phone policy. This was emailed to families and will come into effect, day one of term 3. The Department for Education's mobile phone policy has been updated to support safe and productive learning environments. Students must keep their mobile phones and other personal devices off and away for the whole school day. The updated mobile phone policy will ensure we help promote:

- safe environments with reduced negative impacts from inappropriate use of devices at school, such as cyberbullying or exposure to harmful content
- classroom environments where teachers can teach, and students can learn, free from distractions caused by personal use of devices
- use of breaks as quality time away from screens, encouraging physical activity, play and meaningful face-to-face connections.

More information about the department's mobile phone policy can be found at: <https://www.education.sa.gov.au/parents-and-families/safety-and-wellbeing/bullying-and-cyberbullying/using-mobile-phones-and-personal-devices-school>. If you have any questions or concerns about the updated mobile phone policy, please contact the school.

Have a safe and enjoyable break and I look forward to seeing you next term.

Joelene Anderson  
Principal

## Welcome Mr Williams

We would like to welcome Riley Williams to our school.

Mr Williams has been teaching math and PE while Ms Hackett has been away on leave, and will be continuing to teach PE for the rest of the year.

Resilience ~ Success ~ Respect

# Year 2/3 Student Led Conferences

On Thursday 29th June the year 2/3 class welcomed their families into school to share their learning. Our practicum student Caitlin Harris organised the event. We were ecstatic about the turn out with every child having one or more family member including parents, aunts, uncles, grandparents and cousins. Students shared their projects from the term including their paper mâché globes, solar ovens, baking, literacy games and digital books. It was a great afternoon and the students really enjoyed sharing their learning.

Port Broughton Area School

# Highlights from Term 2

Friday the 30th of June at lunchtime, students had the opportunity to join fun activities, as part of Pride Month - recognising diversity. Students enjoyed playing with the large parachute and hula hoops. The Year 12 Food and Hospitality students made fairy bread for everyone to eat.

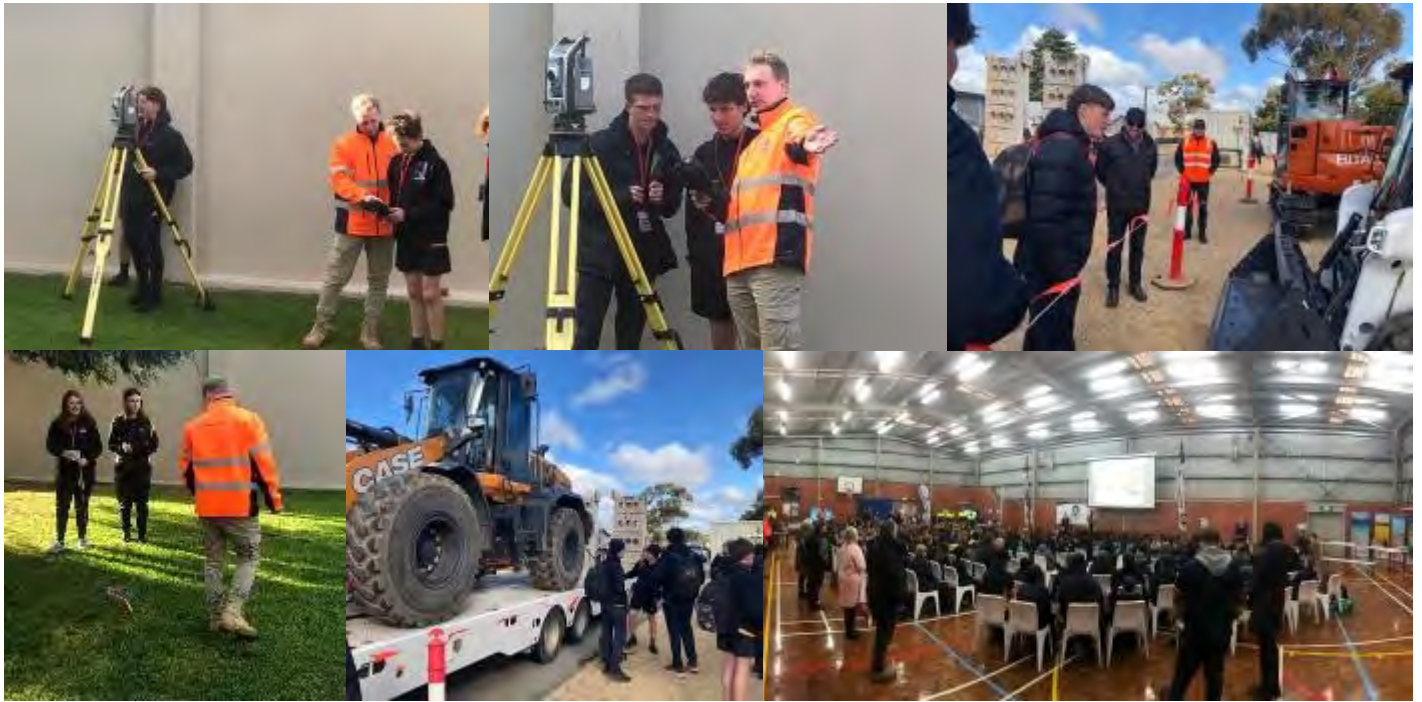

Parliament of SA Visit - Years 5 to 8

Resilience ~ Success ~ Respect

# Highlights from Term 2

Ardrossan Area School hosted a Resource and Infrastructure Immersion day on Friday the 23rd of June. The day was developed in consultation with key industry partners across the local resources sector and the Department for Education's Pathways Advisor and Industry Engagement Consultant. The day provided opportunities for students across the Yorke Peninsula Secondary Alliance Schools, to learn more about the regions broad resources sector. We had nine students attend.
