

## Japanese Students Visit PBAS

Port Broughton Area School

On Monday we played host to Moonta Area School's 13 Japanese visitors and their tour guide from Tokyo. Mrs Swan's Japanese classes had a ball sharing their learning, practicing conversing, playing and getting to know our guests. They'll be back for a final visit next Monday.

**NB - The Book Week parade is on Wednesday the 23rd of August from 10am. Weather permitting this will happen outside on the hard play area.**

Friday 1 September  
Girls cricket Gala  
Monday 4 to Wed 6 September  
Body Kind Week  
Tuesday 5 to Thursday 7 September  
Adelaide Show  
Wednesday 6 September  
Hot Shots Tennis  
**Thursday 7 September**  
**Student Free Day**  
**Friday 8 September**  
**School Closure**

Welcome to term 3, I hope you had an enjoyable break. We are set for another busy term with camps, SAPSASA, book week, Copper Coast and Royal Adelaide Shows, and of course, learning in the classroom.

The Canberra/Ski trip students depart on Saturday. I hope they have a great time on this wonderful experience. Thank you to the staff from PBAS and Minlaton District School for all the work that goes into organising an interstate camp. I look forward to seeing the photos and hearing about their adventures.

We are well into planning for 2023. The current year 10/11 students are involved in subject counselling to select their study options for next year. It is essential for the planning and budgeting process that we know student numbers. Please let us know if your child is not attending PBAS in 2024.

Congratulations to Amber Cameron, who achieved an A+ on her stage 2 Research Project. This is an exceptional achievement and represents the hard work Amber applied to her studies.

For some time now, the Governing Council have been investigating OSHC (Out of School Hours Care) for PBAS. We have progressed to the tender stage of the process and hope to have more updates before the end of the term.

Joelene Anderson  
Principal

## Congratulations Amber

As Joelene mentioned above, Congratulations to Amber Cameron on her A+ for her research project. Below is a quote from Amber regarding this and her thoughts on doing a research project.

*For me, the research project was an enjoyable and educational subject that allowed me to expand my creativity in a range of writing styles and enhance my research skills. I found my research topic 'What impacts did the Kangaroo Island 2019-2020 bushfires have on native flora populations and what have been the most effective regeneration strategies?' fascinating, and I was able to use the research project as an opportunity to immerse myself in the topic through interviews, and primary and secondary sources. Overall, I loved the process of putting together my research project and was rewarded with my end result.*

Resilience ~ Success ~ Respect

# NAIDOC Week Activities

On the last Thursday of term 2 our Reception to Year 6 students learnt some traditional cultural dances to celebrate NAIDOC week, July 2nd to July 9th. Thanks to Nikki Ashby & Miss Bianca for providing our students with this opportunity.

Resilience ~ Success ~ Respect

# Agricultural Studies

Year 9-12 Agricultural students at PBAS have been preparing our goats and sheep for competition at the Copper Coast Show and Royal Adelaide Show. Students are developing a range of agricultural and animal husbandry skills.

Resilience ~ Success ~ Respect

# 99 Days of School Celebrations

On the last day of term 2 the reception/year 1 and year 1/2 classes celebrated 99 days of school. We celebrated by making hats and necklaces and listening to music and then had a picnic lunch that was enjoyed by all.

# School and Community Notices

BreastScreen SA's Mobile Screening Unit is visiting Wallaroo from mid-August to early November 2023.

Wallaroo

We're inviting all women aged over 40, especially 50 to 74 years, to come along for their 2-yearly screening mammogram (breast X-ray).

- It's FREE and quick – it can take as little as 10 minutes
- You can make a booking with a friend, family member or group
- It's the best way of detecting breast cancer early (before symptoms start to show), giving you a greater chance of successful treatment.

Call us on 13 20 50 to book or visit [www.breastscreen.sa.gov.au](http://www.breastscreen.sa.gov.au)

Book now!

Scan QR code to request a call back or call 13 20 50

You'll find us at the old railway station  
John Terrace, Wallaroo
