Friday 23 August
Regional Basketball Carnival

This term has been a particularly busy one for all of us. We have seen a range of exciting events and activities taking place, including sporting and academic. A highlight for me has been our involvement in activities such as the coastal planting, the 3/4 community presentations and the Kindy cross age visits. These activities provide wonderful 'real world' learning for our students and connect the school with the wider community. We look forward to being involved in more community activities throughout the year.

I would like to take this opportunity to commend all of our students for their dedication and hard work, as well as our teachers for their tireless efforts in supporting and encouraging our students.

This term, we held a secondary information evening, specifically designed for year 5/6 students and their parents to share the many opportunities we offer our secondary students. Next term we are holding our annual SACE information evening for parents and students in years 10 and 11.

In the lead up to the term break, I would like to remind students that they should not be on school grounds during the holidays. Thank you for your support in this matter and in keeping our school a safe and secure place.

I am proud to report that our school continues to thrive and excel in all areas. Thank you to all of our students, teachers, staff, and parents for your ongoing support and dedication to our school community. I hope you have a safe and enjoyable break and I look forward to seeing you next term.

Joelene Anderson
Principal

Allergy and Nut Awareness

Our Governing Council has just recently updated our Allergy and Nut Awareness Policy if you could please take note of the following:

Parents:

- are requested NOT to send food to school that contain nuts, especially peanuts. This includes products such as peanut paste, 'Nutella', most nuts, peanut cooking oil and other foods that contain nuts.

Students:

- are encouraged NOT to share food.

Staff:

- are requested NOT to bring food to school that contain nuts, especially peanuts. This includes products such as peanut paste, 'Nutella', most nuts, peanut cooking oil and other foods that contain nuts.

Cross Age - Kindergarten to Year 3

Being a leader in Cross Age means-

- Being sensible and helping other children to do the activities.
- Giving clear instructions so the children know what to do.
- Ensuring that your group is safe.
- Thinking carefully about the activities we plan.
Ask ourselves- Will they be able to do that?
- Planning FUN activities that EVERYONE can do!!

Resilience ~ Success ~ Respect

Port Broughton Area School

Term 2 Activities

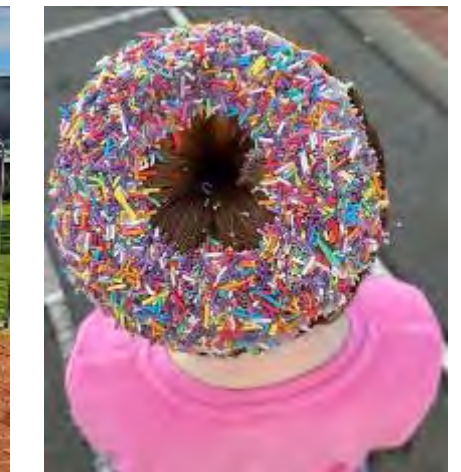

In week 9 we celebrated Wellbeing Week. It is a week to provide young people with the knowledge, skills and tools to manage their own mental health and wellbeing. Students had the opportunity to have some fun playing 'old-fashioned games'.
