Welcome to term 3, I hope you had an enjoyable break. We are set for another busy term with SAPSASA, book week, theatre shows, Copper Coast and Royal Adelaide Shows, and of course, learning in the classroom.

Semester 1 reports went home at the end of term 2. If you have any questions or concerns about your child's report, please feel free to make an appointment with their teacher.

This week we held school tours for interested parents. One tour focussed on starting school at PBAS, whilst the other looked at the many opportunities and fantastic facilities available to our secondary students. If you missed the tours and would like to know more, please don't hesitate to contact the school to arrange a private tour.

Next week, we are holding our annual SACE information evening for year 10/11 students and their parents/carers. It provides information relevant to senior schooling and the subject counselling process.

A reminder that Thursday 5 September is a student free day and Governing Council have approved a school closure day on Friday 6 September. Governing Councils may recommend to the Education Director the closure of a school for a maximum of one school day or two half days each school year for events of local significance which are primarily, but not necessarily restricted to district and which are of particular interest to a majority of parents and students, e.g. agricultural and horticultural shows, including the Royal Adelaide Show.

The Magic Reader

This term, on Thursdays (at lunchtime), we will be having a different Magic reader in the library. Primary classes will have clues read to them daily, for them to guess who the Magic reader will be. Students will also do an art/craft activity which will be displayed in the library. We have chosen a range of books relating to Magic to help inspire some costumes for our week 5 Book Parade.

Week 1 The magic book was Possum Magic and the Magic reader was Ms Bawden

Reading is Magic

Resilience ~ Success ~ Respect

The Olympics

Mr Townsend's year 5/6 class have been learning about the history of the Olympics including the symbols, mascots, logos, host countries etc.

We are also running our own DECATHLON (10 event) competition. The class is divided into 6 countries.

We have done 3 events so far.

The Olympics

Last term, 5/6 students learnt a variety of Olympic country names, flags & locations in Japanese. We also looked at sports & how to write introductory sentences for real or imagined athletes.

In Ms Bawden's year 3/4 HASS class, students will be learning about the history of Australia's involvement in both the Olympics & the Paralympics. Students will also be tracking the Australian Medal count in Paris & researching the history of the sports. Students looked at the history of our flags and the history of why we have green & gold sports uniforms. Students are designing a poster to cheer on the "Aussies" with a combination of our National flag, and Aboriginal & Torres Strait island flags. They will be on display in the Library and in the Front Office.
