

Congratulations to our Agriculture Students - Again

Happy Holidays

During week 7 this term, our Agriculture students performed to an outstanding level at the Royal Adelaide Show.

Our team walked in perfect unison in the Grand Parade and placed 2nd against all competing schools. Scarface, led by Isobel, won the 46.5 - 48kg and competed for Grand Champion Goat, narrowly missing out on reserve champion. We placed 5th and 6th in various other categories ensuring that we had a very successful event. It was an incredibly competitive competition and our students should be very proud of their achievements.

A massive thank you goes to Mrs Patterson, Mr Smith and Jodie Mackrill for supporting our team.

CONGRATULATIONS

Congratulations to our school on winning the Best Practice Award for our Toilet Door Project. This is a fabulous student led initiative and our students have worked hard with encouragement and support from our teachers. This award is kindly supported by the South Australia Area School Leaders Association and Credit Union SA.

Friday 8 November
Student Free Day

What a wonderfully busy and productive term we've had. A highlight for me was winning the Best Practice Award for our Toilet Door Project. This is a fabulous student led initiative and I can't wait to see the final result. I would like to take this opportunity to commend all of our students for their dedication and hard work, as well as our teachers for their tireless efforts in supporting and encouraging our students.

It is with a mix of excitement and sadness that I share the news that I have won and accepted the position of Principal at Riverton and District High School, beginning in 2025. Since joining PBAS in 2014, I have truly cherished the relationships I've built with you and your children. It has been a privilege to lead this school, and I am grateful for your support throughout the years.

The Education Director will collaborate with the Governing Council to appoint my successor, ensuring a smooth transition for our school. I look forward to continuing to lead our wonderful school for the remainder of 2024 and to creating lasting memories together.

We are well into planning for 2025 and can announce the following staffing changes:

Jackie McLoughlin – Jackie took 12 months leave for the 2024 school year.

She has since decided to resign. We wish Jackie all the very best and look forward to welcoming her back as a TRT.

Corey White – We are very fortunate to have Corey appointed permanently to PBAS.

Congratulations to Kristy Patterson and Jess Bawden who will both continue in their current leadership roles after successfully winning 3 year appointments.

In the lead up to the term break, I would like to remind students that they should not be on school grounds during the holidays. Thank you for your support in this matter and in keeping our school a safe and secure place. Please don't forget that school finishes at 2:10pm on Friday 27 September.

Joelene Anderson
Principal

Thank you Georgia

This term, Miss Bowley's R/1 class has had a University Preservice Teacher in their classroom. Georgia has taught the class lots of fun and engaging topics. They have included shapes and direction, place value, texture and colours in visual arts, procedural writing, book making, properties of materials and house building, strategy team games, and protective behaviors.

We wish Georgia all the best for her future as a teacher

Resilience ~ Success ~ Respect

Food Technology with the 9/10 Class

The students have been making savoury and sweet dishes from different European countries. Making their own fettuccine pasta was time consuming but when compared to the dried bought pasta, students agreed it was worth the effort. Harry and Clay made perfect chocolate souffles – a dish which would challenge most home cooks. One of the most popular dishes was chicken cordon bleu served with gratin

Port Broughton Area School

Term 3 Highlights

Council Meeting in the Library

The Barunga West Council held their September Ordinary Council meeting at the school on Tuesday the 10th of September, working with the school to engage younger members of the community in the workings of local government.

School Captain Merredy welcomed everyone and then Zali spoke to the council members about the opportunities provided by the school to become active and informed citizens. The year 7 HASS class presented deputations that highlighted their perspectives on council issues such as tourism, waste management and food insecurity, encompassing the United Nation's Sustainable Development Goals.

MUD PLAY WITH THE JUNIOR PRIMARY

Resilience ~ Success ~ Respect

Term 3 Highlights

Some great results in the sporting arena with the NYP SAPSASA Athletics team winning their division on Monday 16th September with fantastic results from PBAS representatives. The girls 5/6 Basketball team progressed to the state finals in October and there has been great representation by PBAS Students in Golf, Hockey, Girls Footy, Boys and Girls Soccer and Boys and Girls basketball.

Japanese Visit

At the beginning of term 3 some Japanese students from Meiji Nakano Hachioji High School visited the school with Mrs Swan. The students had been staying with some Moonta Area School families. We have 10 PBAS students, plus Mr Norton, travelling to Japan next week and they will be visiting this High School while in Tokyo.

The Materials and Service Charge (M&S) for 2025 has been set at \$300 for R-6 and \$396 for Year 7-12 by the South Australian Government. It is proposed the school will charge \$320 for R-6 and \$420 for Year 7-12 for 2025. The school community is therefore invited to the next Governing Council meeting in week 3, **Tuesday 29th October**, in the Library, 7:00pm where the M&S charge will be discussed, and approval sought. If you are not able to attend the meeting but would like to submit your view, please do so in writing addressed to the Governing Council Chairperson prior to the meeting. Correspondence can be emailed to Jodie.mackrill376@schools.sa.edu.au marked attention GC Chairperson.
