

Hello from the Principal

Term 1 is coming to a close, and it has been a packed term that has gone by too quickly. I have enjoyed being welcomed into the school community and appreciate the support that has been offered by families and staff. It has been a steep learning curve, and I am looking forward to settling in and continuing to build on some of the great work that has occurred over the last few years.

As a staff, we have been working on our Learning Improvement Plan. This has been a changing approach to learning improvement over the last few years, and we are currently focusing on developing students as effective learners who are confident, motivated, and in control of their learning. This new direction complements the strong focus that the school has had on literacy in previous years. I look forward to sharing this work as it progresses throughout the year.

The Governing Council held its AGM earlier this term. Kellie Daniel, Elise Bormann, Megan Harris, Jane Hewett, Kev Kelly, and Ben Ervin have completed half of their two-year term and have been joined by Jess Hewett, Tracey Ireland, and Andrew Kelly, who have all signed on for another two-year term. I'd like to thank them all for their continued support and engagement with the school. The Governing Council is an important parent forum and contributes greatly to the daily lives of our students. There is one remaining spot on the Governing Council to be filled. If you would like more information or to nominate for this position before the next meeting on the 12th of May, please contact me at the school. I wish everyone a safe and restful holiday break and look forward to seeing everyone back in Term 2, ready to continue our learning journey.

Scott Moore,
Principal

Congratulations to Blue who won the Primary sports day held last Monday the 31st of March.

Year 1/2 Class Maths

The Year 1 / 2 students are counting from 0-120. The students made a paper chain ordering the numbers from 0-20 and they had to write the numbers in the correct order on each chain. We also made our own number line from 0-120.

Jump and Shot Put**
Eli Arbon

GRIP Leadership Conference

On Wednesday, our senior school SRC representatives attended a GRIP (Generosity, Responsibility, Integrity, People) Leadership Conference in Adelaide. We learnt about leadership and how we can further improve our leadership skills, to better our school. It was interesting listening to multiple speakers, talking about their experience about their strategies to become better leaders. Workshops covered topics such as;

- The Responsibilities of a Student Leader
- Creating School Events that Everybody Can Connect To
- Creative Ideas for Your School that Aren't Events
- Being a Leader Who Supports Others
- Tackling Something at Our School that Feels Impossible

**END OF TERM
ASSEMBLY**

Friday, Week 11
11th April, 10:00 am
in the School Hall
