Hello from the Principal

National Reconciliation Week is an opportunity for Australians to reflect on our shared history and values. At PBAS, Respect is a foundation of everything we do, and this week our students took part in several activities that recognise the stories and

and cultures of Aboriginal people in Australia. This year's theme "Bridging Now to Next" captures the need for reconciliation to be about all Australians stepping forward together, to look ahead and to build a better more respectful future.

It's hard to believe we are nearly halfway through the term. Every week I get to see students growing as learners, and watching them progress through the year is one of the highlights of working in a school. So far this year we have had a focus on building the self belief students have around improving their learning skills, rather than just learning new content or knowledge. This is a change that will be reflected in the Semester 1 Reports when they are written in a few weeks time. There will be a change to how they look, and the inclusion of information on the Personal and Social Capability from the Australian Curriculum.

We have also begun a transition program with Port Broughton Kindy, this is a great opportunity for our current Receptions to build strong relationships with classmates that will join them next term as part of our first Mid Year Reception Intake. There is a family information session in Week 7 of this term, followed by three days for new students to become more familiar with our school and staff. If you would like more information regarding enrolment at PBAS please contact the front office.

I'd like to take this chance to welcome Jade Haggerty to our Governing Council. She has kindly put her hand up to fill our last spot. I look forward to working with her as part of this important parent forum.

Principal

Cancer Council Biggest Morning Tea

The year 9 and 10 Food and Hospitality elective worked together to bake a delightful assortment of sweet and savoury treats for Australia's Biggest Morning Tea, a nationwide event supporting cancer research. The kitchen buzzed with energy as they baked pizza scrolls, mini chicken pies, creamy smoked salmon tartlets, mini caramelised onion sausage rolls and feta and caramelised onion tartlets. Sweet treats included banana cake with a caramel drizzle, chocolate and coconut muffins, custard tarts, lemon and coconut slice, mini cupcakes, madeleines, chocolate melting moments, and raspberry jam shortbread. Each dish was made with care and creativity. Their morning tea spread not only brought smiles to the staff who enjoyed the morning tea, but also raised vital funds for the Cancer Council, demonstrating how small acts of kindness can make a big difference.

School Leaders Day

Senior School Leaders had the opportunity to visit Parliament House as part of the School Leaders Day hosted by **Fraser Ellis MP - Member for Narungga**. It was a great chance to see democracy in action, and to meet with leaders from other schools in the region.

Congratulations Tahlia

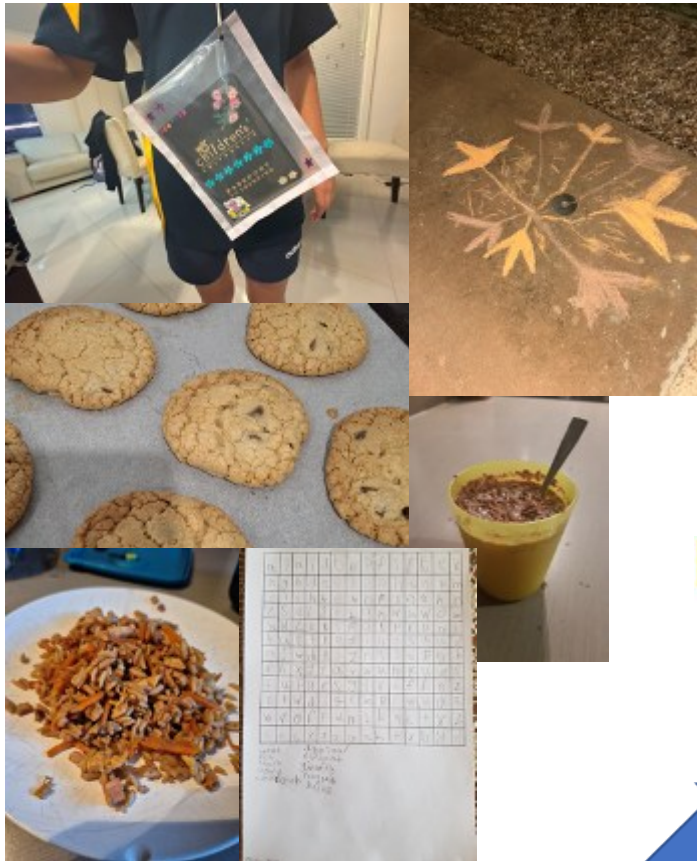

Tahlia Stringer has been selected for the 18 Years and Under Bowls State Team for the second consecutive year. The team will be competing at Bray Park, Queensland, from Saturday, 26 July, to Wednesday, 30 July 2025. Tahlia was one of ten students selected for the combined male/female team.

Port Broughton Area School

Children's University

It has been wonderful to see a lot of learning outside of the classroom since the end of Term 1. Nine different students completed 26 activities in April and 14 in May. Here is a snapshot of photos that the students have enjoyed.

PBAS Sports - Cross Country and Netball

12 students ventured to Ardrossan to take part in the Yorke Peninsula Cross Country carnival, where they competed with students from both Northern and Southern Yorke areas.

We had some fantastic results with Alex winning overall in the 12-year-old girls, Evie coming 3rd overall in the 10-year-old girls and Elsie coming 3rd overall in the 13-year-old girls.

In the Northern Yorke results we had some awesome results too, especially in the 10-year-old girls, with Evie 1st, Willa 2nd and Zara 3rd.

On Friday we had 7 students trying out for the SAPSASA Netball in Kadina, along with 3 students from Bute Primary School. The girls demonstrated outstanding sporting and team skills. Congratulations

to Payton, Willa, Daisy, Charlotte, Indi, Isabelle and Zara who have all been selected to NYP SAPSASA Netball Trial Squad this Tuesday.

Thank you to Priscilla and Benita for umpiring and organising the uniforms.

Reconciliation Week

This week, we are celebrating National Reconciliation Week with various activities. Every class has decorated a letter for our front office Reconciliation sign. Students are making the First Nations flag and the Australian flag from handprints, and there will also be a field of hands made from all students' and staff handprints later this week.

Simultaneous Storytime

On Wednesday the 21st May all the primary classes joined more than 2.2 million children around the country to celebrate the 25th anniversary of National Simultaneous Story Time. This year the Story was 'The Truck Cat' written by Deborah Frenkel and illustrated by Danny Snell. Our livestream provided the students the opportunity to view the author reading her heartwarming road trip story about friendship, belonging and finding home. Students were excited to enjoy their biscuits kindly made by Mrs Hackett's Food Technology class and various art activities were completed during the week.
