

# Happy Holidays

## Hello from the Principal

It has been a great term for PBAS students and staff. Our Agriculture Team achieved amazing results at the show, winning 11 ribbons and representing us all in an incredibly professional manner. Book Week was a hit, and the Adventure Reader helped students connect with a love of reading and unleash their imagination. Our sports representation was also a highlight of the term, with many students representing us in SAPSASA and Zone events throughout the term.

It is incredible that a school our size has so many students achieving success in such a wide range of areas—and we aren't done yet. Term 4 is always packed with opportunities for learning, success and, as the year winds up, reflecting and celebrating the year that has been. Enjoy your holidays, and take some time to rest, reconnect with family, and recharge your batteries, ready to finish the year strong.

We are well into our planning process for 2026, and it is important that we have the best information possible when making decisions regarding class structures and student cohorts. If you are planning on moving schools in 2026, please let the office staff know so that they can compile accurate lists.

At the start of Term 4, the weather really starts to warm up. The holidays provide a good opportunity to check uniforms that may no longer fit after the winter months. This includes hats. We have some available in the office if they cannot be found from Term 1. As part of our Sun Smart Policy, students are required to wear hats in Terms 1 and 4. If you would like to discuss this further, please contact me at the school. I hope you have a safe and restful holiday!

Scott Moore,  
Principal

# Auslan Performance

On Tuesday, 9th and Wednesday, 10th September, ten students from Years 4, 5, and 6 proudly participated in a Festival of Music Choir performance held in Port Pirie. Our students showcased their dedication and talent by performing the Australian National Anthem in Auslan, a skill they had been diligently rehearsing for weeks.

# Learning Stations in the 2/3 Class

On Thursday the 18<sup>th</sup> of September, the Year 2/3 class invited their families for an afternoon learning showcase. Students were proud to share the recounts published using book creator on the iPads. Families were able to scan a qr code to view holograms made by students. Art work and Maths Chance Games constructed by the student were around the library to viewed. Everyone participated in a game of Heads and Tails. Allivia Pratt, out student teacher spoke in more detail about student learning before concluding the afternoon with a Space Kahoot an online quiz with questions compiled by the students. It was a wonderful afternoon!

# Madison Visits Government House

In week 8, Madison our School Captain had the incredible opportunity to travel to Adelaide to attend an afternoon tea with the Governor of South Australia and her husband. Also in attendance were the Minister for Education and other senior representatives from across the state. The afternoon provided a valuable chance to share future goals and discuss the pathways to achieving them, while also gaining insight from South Australia's leaders.
