

# Good Luck to our Year 12's

## Hello from the Principal

Term 4 is one of the most enjoyable times to be in a school. As the year wraps up, we take stock of the learning that has occurred, make plans for the following year, and celebrate the important milestones our students reach.

One of these events was our Year 12 farewell breakfast and assembly. This day was an opportunity to look back on the journey our Year 12s have been through, the opportunities they experienced along the way, and a chance for the whole school to say goodbye and good luck to the class of 2025. Since then, we have held our Senior School Formal and are looking forward to our Graduation Dinners for Year 12s and Year 6s as they complete their primary education and transition into high school.

Looking to next year, we have a great range of subjects for our Senior Secondary students, we are also providing local delivery subjects to students from other area schools on the YP.. Year 11 and 12 students will be completing the following subjects in 2025.

English	Chemistry	Business & Innovation	Child Studies
Maths	Physics	Design & Technology	Psychology
Modern History	Food & Hospitality	Nutrition	
Agriculture	Digital Technologies	Visual Arts	
Biology	Integrated Studies -PE	Creative Arts	

Every family should have received a password reset notification for the Daymap Parent Portal. Please sign in and activate your account. This is a new platform that will help us communicate with parents about student absences, parent details, and student reports. For parents with children in Years 7–12, this will replace Seesaw. All assessment tasks, due dates for assignments, and academic results will be visible as they occur, allowing for better and more timely communication. Primary families will still have access to Seesaw as it is a great way to share student learning and achievement. If you have trouble activating your account or have any questions, please don't hesitate to ask someone at the school and we will help in any way we can.

Scott Moore,  
Principal

Term 4 Week 5 - 20 November 2025

# Farewell to the class of 2025

**GOOD-BYE AND  
GOOD-LUCK  
TO ALL OF  
OUR YEAR  
12'S**

**Resilience ~ Success ~ Respect**

# Halloween at PBAS

The Stage 1 Food and Hospitality students made and decorated over 250 Halloween themed cookies for the reception through to year four classes. Students were able to order either one pack of three large cookies or a pack of three small cookies. Using Halloween cookie cutters and fondant the students created a range of scary but very delicious cookies.

## Year 7 & 8 Halloween lunch

Year 7 and 8 students cooked a trio of scary savoury dishes as well as decorating their own Halloween cookies. They made Jack o'lantern ham and cheese, chipolata mummies and blood dripping finger hotdogs.
